

O U R T O W N

SEPTEMBER 2017

OUR PURPOSE

The Town of Alpine exists to provide municipal services necessary to support the residential, business, environmental, and historical interest that define our community. Our Services enhance the quality of life for those who live here and enhance the experience for our guests. We value our environmental resources and scenic beauty where we live.

ANNOUNCING OUR NEW QUARTERLY NEWSLETTER

We are pleased to announce the launch of our new quarterly newsletter. This first issue will be sent out at the beginning of September and we will be regularly creating original content each quarter.

The format will allow us to let the community know the happenings of the Town Of Alpine. We hope this will be a welcome addition to your mail box. It has been a goal of ours to create our own newsletter to keep our community informed.

Our goal with this newsletter is to create something that is beneficial to our readers. We chose a quarterly schedule to ensure that our correspondence is never overwhelming and that the content delivered is relevant.

We view the creation of our own newsletter as a great opportunity to stay in touch with our community. Thus, we will welcome any feedback and will seek to continually improve with each issue. It is through this ongoing experiment that we look to gain more knowledge, insight and ideas that we will pass along to our current and future residents.

O P E R A T O R I N T R A I N I N G

The Town of Alpine is currently undergoing the process of hiring a new employee. We have spent several weeks collecting resumes and employment applications for this open position. This employee will be a back up operator for our Chief Water Operator Val Jensen and our Chief Sewer Operator Robert Wagner. We look forward to the addition of a new staff member to work together as a team to make our services and this beautiful town the best they can be.
