Watch the Alpine website for an announcement of dates for this activity.

**Alpine Mountain**

**Days** June 21st- June 23rd

The Town of Alpine is currently working on annexations of properties north of Town. Annexation is the process by which a municipality expands its boundaries into nearby areas not already incorporated into the municipality. The benefit of annexation is that it helps ensure the orderly and efficient delivery of services to areas which are developed to urban densities. The Town also receives additional revenues generated by an increased tax base. The primary benefit to the property owner is access to municipal services – mainly water and sewer. Once the properties are annexed into the Town they will be subject to all ordinances and building requirements/zoning that currently apply to Town of Alpine Residents.

The Town of Alpine serves residents and businesses through planning & zoning, permitting and building inspections. Town regulations protect property values and encourage the beautification of Alpine neighborhoods. We are committed to working with property owners to maintain neighborhood character and identity.

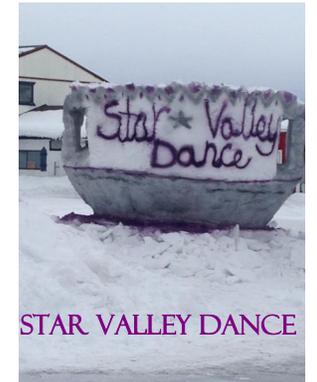

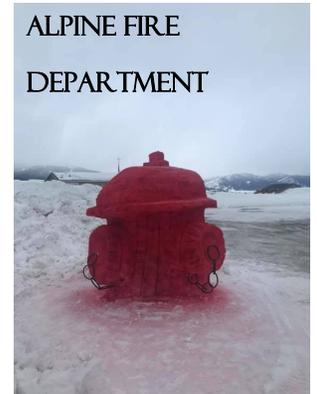

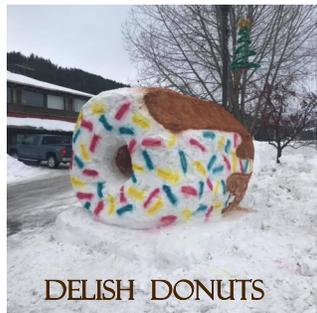

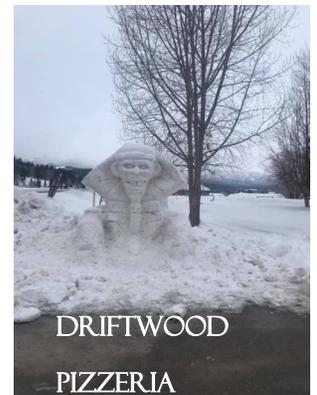

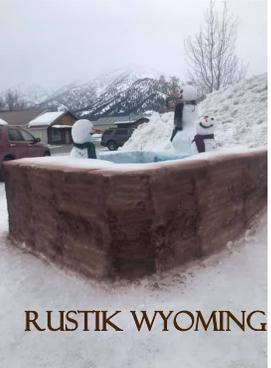

Our elected officials are focused on retaining and strengthening existing businesses in our community and recruiting new firms that are consistent with the needs of the community. As Alpine continues to grow in size and population, we are dedicated to providing excellent service through partnerships that build trust, eliminate crime, create a safe environment and enhance the quality of life within our community.

## OUR PURPOSE

The greater Alpine area is a vibrant and healthy community located at the convergence of three pristine rivers and surrounded by mountains and National forests. Our citizens work together to promote tourism, businesses and activities that sustain and protect our natural environment and quality of life for the economic prosperity and enjoyment of all.

# ALPINE WINTER JUBILEE

Another successful Alpine Winter Jubilee was held February 1 and 2, 2019. With participation throughout the town in the form of snow sculptures, fireworks, and numerous donations from local businesses and individuals, the Jubilee Committee is excited about what next year will bring!

Some of the highlights include: snow sculptures carved by fourteen businesses in Alpine in the days leading up to the event. It was fun watching the creative process change an eight foot cube of packed snow into amazing artistic sculptures – who knew we had such talent in our little mountain town?! The winning sculpture was Tack & Treasure’s “Tee Pee Scene ” with Bull Moose’s “Moose Antler & Beer” and Jenkins “Snoopy House” taking second and third, respectively. A **HUGE Thank You to Top of the Rockies Snowmobile Club** for organizing the Snow Sculpture event – from purchasing materials for the boxes as well as building the snow cubes for carving.

The action began Friday with Dinky’s Hot Dog Roast at the gazebo in Marge Grover Park and had a great turnout with over 200 dogs roasted. A light parade and fireworks followed with American Legion Bingo wrapping up the Friday events. There were a record setting number of players at Bingo with 120 participants!

Saturday events started a Scavenger Hunt followed by the Children’s Activities in the Donn Wooden Civic Center with a variety of craft projects to entertain the kids and parents. A Casino Night concluded the weekend schedule where there was well over 50 raffle items donated by local businesses and individuals. We are truly blessed to have such a generous community – it is greatly appreciated by all!

The best part about this weekend is that all proceeds are given out in the form of scholarships for local youth attending college in the fall. Each person that donated, attended or volunteered helped us raise this money and we can not thank you enough!

We hope to see all of you next year during this fun winter celebration!

ALPINE ADVENTURE RENTALS

BLACK MOUNTAIN RENTALS

STAR VALLEY DANCE

## SANTA'S VISIT

On December 8th Santa came to town and we want to thank Julie Draper for being such a great volunteer for the Santa Comes to Town event.... the Town of Alpine appreciates you and your hard work to make this event so wonderful for our community. We couldn't do any town events if it wasn't for our volunteers.
