

OUR TOWN

JUNE 2019

TREES ON THE HIGHWAY
ENHANCEMENT

The Town of Alpine has recently acquired a grant funded through WYDOT for replacement trees along the Highway Enhancement. We replaced 22 missing trees along the roadway that were missing due to weather, vandalism, or disease. We hope these trees will survive and enhance the beauty of our town. Recently you may have noticed town employees have been out trimming trees along the enhancement to make sure businesses are visible from the road.

IMPROVEMENTS AT THE
SKATE PARK

The Town of Alpine is in the process of making some improvements at the skate park. The water line has been extended, 22 trees have been planted, the gazebo will be moved and placed with picnic tables and currently under construction is outdoor fitness stations donated and constructed by Jacques Decou. We are hoping to get those placed in the next few weeks.

PARKLET CONTEST

This contest will be between local business's located within the Town of Alpine for providing the best parklet space. A parklet is a space outside a business that provides seating or activity for the public's use. Typically parklets are installed in parking lots or grassy areas in front of a business, some of you already provide such places and this is your chance to enhance it a bit. The concept behind a parklet is interaction with the public with the main goal being to keep residents and visitors in our town longer utilizing our businesses and our community. Elements such as public seating, public art displays, community gardens, interactive game space, etc. These spaces are not required to be permanent. For those of you willing to participate we would like to see the parklets completed by **Friday June 21st** just in time for Mountain Days. Contest winners will be notified by July 1st. If we have businesses interested in participating and need more time we will extend our deadline for the contest. If you have any questions call **Melody** at the **Town Hall 307-654-7757**.

OUR
PURPOSE

The greater Alpine area is a vibrant and healthy community located at the convergence of three pristine rivers and surrounded by mountains and National forests. Our citizens work together to promote tourism, businesses and activities that sustain and protect our natural environment and quality of life for the economic prosperity and enjoyment of all.

Town of Alpine Easter Egg Hunt

Easter Egg Hunt 2019

The Town of Alpine's annual Easter Egg Hunt that took place on April 20th was a HUGE success and we want to say thank you to our special volunteers that help with this activity. Especially **Alana Carpenter** who puts in months of preparation for this event. We had approximately 250 kids, all of whom received an Easter Egg shaped bag or small basket, 66 Golden Egg prizes, a bike for each of the three age groups and an amazing 13,000 eggs filled with candy!

Alpine Mountain Days June 21st—23rd 2019

Alpine Mountain Days is scheduled on **Friday, Saturday and Sunday, June 21st ~ 23rd** located at the Donn Wooden Civic Center and at 3 Rivers Motel Alpine, WY. Activities for the whole family include Pioneer Village with Mountain Men; Native American dancers.; A live birds of prey demonstration, over 50 merchandise and food vendors, raffle drawings, a chili cook off, bounce house, horse shoe tournament and much, much more. Kick off summer right, come to Alpine Mountain Days for a fun-filled time with family, friends and neighbors!

Alpine Mountain Days was started in 1990 by Jan Rollins and Marge Grover, the founders and co-chairs of this weekend festival. From the very first "Mountain Days" these two ladies had a vision which has become reality. With the help of volunteers, the generosity of many businesses and individuals, and the participation of craftsmen, vendors, and those who attend, this event has grown year by year into one of the largest weekend festivals in the area.

The Mountain Man Triathlon (MMT) is a sprint triathlon held in conjunction with Alpine Mountain Days. This race is fast becoming a favorite in the region due to its beautiful scenery and versatile course. This course is challenging enough for intermediate levels, but easy enough to cut your triathlon teeth on. This triathlon is organized by Star Valley Medical Center's Charitable Foundation and is supported by Star Valley Search and Rescue; Alpine Fire & EMS and SVMC EMS. For a schedule of Events please go to <http://www.alpinewy.org/community/mountain-days/>. **We hope to see you there.**

**DID YOU
KNOW...?**

OFFICE CLOSURES Town of Alpine offices will be closed on the following dates **July 4th ~ September 2nd**

ALPINE COUNCIL MEETINGS Take place the 3rd Tuesday of each month @ 7 p.m. ~ Town Council Chambers 250 River Circle, Alpine, WY.

CREDIT CARDS The Town of Alpine will now be accepting credit cards for all services/licenses/permits. There will be a 3% charge for all payments unrelated to water/sewer.

PLANNING & ZONING MEETINGS Take place the 2nd & 4th Tuesday of each month ~ Town Council Chambers 250 River Circle, Alpine, WY.

BUILDING PERMITS Permits are required within the incorporated boundaries of the Town of Alpine. If you are unsure if your project requires a permit please call our office for clarification.

BUSINESS LICENSES are required within the incorporated boundaries of the Town of Alpine. Business Licenses are valid from July 1st —June 30th of each fiscal year. Business Licenses are up for renewal on June 30th 2018. Renewal notices have been sent out for previous license holders.

ANIMAL LICENSES are required in the Town of Alpine. We have received several complaints about dogs roaming the town without owners present for voice command or physical restraint control. Please do not allow your dogs to roam freely through town and be sure to get your pets licensed if you live within the incorporated boundaries of the Town of Alpine.

CLEAN AND ORDERLY PREMISES

Recently we have received several complaints about the maintenance of some properties located within the Town of Alpine. The Town of Alpine does have ordinances that govern the general maintenance of properties located within the incorporated boundaries of Alpine. To familiarize yourself with the Town of Alpine Ordinances they are available to you on the website. <http://www.alpinewy.org/ordinances-resolutions/>

If you have any specific questions on the maintenance of your property please call the Town office and we are more than happy to assist you with your questions or concerns.
