

TOWN OF ALPINE
338 RESOLUTION NO. 08-02-2011

A RESOLUTION TO ADOPT AN AMENDMENT TO TOWN OF ALPINE RESOLUTION NO. 2011-332; SUSPENDING SEWER USER AND AMORTIZATION FEES FOR PHASE II RESIDENTS OF THE TOWN OF ALPINE, LINCOLN COUNTY, WYOMING.

Whereas, this resolution is adopted pursuant to W.S. 15-1-103(a)(xli) at a regular meeting of the Alpine Town Council held pursuant to notice on August 2, 2011.

Whereas, The Mayor explained that under Ordinances 199, 200, and 205 the Town has been billing property owners in Phase II for sewer user and amortization fees since January 2011. However, the sewer system is still not completed for these property owners to connect to the system. In addition, the Mayor and Council with citizen participation intend to conduct a comprehensive review of all of the Town's sewer ordinances, contracts, and the financial obligations associated with the sewer plant and system. Therefore, the Mayor recommended that collection of sewer user and amortization fees be **suspended until the system is completed.**

Now, Therefore, Be it Resolved, the Town may at any time by resolution terminate this suspension of collection of sewer user and amortization fees.

Be it Further Resolved, that W. Kennis Lutz, Mayor of the Town of Alpine, is hereby authorized to sign this resolution and is hereby accepted in its entirety and will be effective immediately with the passage of this resolution.

This resolution passed and adopted on this 2nd, day of August, 2011.
